## EACS & ECDC Joint Session

### **GETTING TO 90: Addressing inequalities in the HIV continuum of care in Europe and Central Asia**

The European Centre for Disease Prevention and Control (ECDC) and the European AIDS Clinical Society (EACS) are hosting a satellite event at AIDS 2018. The purpose of this session is to highlight the importance of promoting collaboration between clinical, public health and community bodies in measuring the continuum of care and addressing barriers along the continuum.

#### **Key reasons to participate**

- Discover the newest data on the continuum of care in Europe and Central Asia
- Identify facilitators and barriers to achieving the 90-90-90 targets in Europe and Central Asia and sharing of best practices
- Promote collaboration between clinical, public health and community bodies in addressing these barriers
- Participate in open discussions on achieving the 90-90-90 targets in Europe and Central Asia

**Date:** Monday, July 23, 2018

**Time:** 12.30-14.30

**Place:** Emerald Room

ECDC and EACS warmly invite you to join us in this continuum of care session.
