

Happy New Year!

WAVE has started the EACS Conference year with the election of the new Vice-Chair, Annette Haberl. Congratulations!

The first meeting on breastfeeding and HIV took place on 18 January. See the attachment for more information. The next meeting will be held on 15 March.

The Scientific Committee has agreed on the agenda of the WAVE pre-conference workshop. It will feature

- an overview on the WAVE activities in 2020-2022,
- a lecture and panel discussion on CVD in women living with HIV and
- presentation of five WAVE publications. The presentations will be followed up by a panel discussion (panellists: project lead, young clinicians presenting the publication and community representative) and Q&A session.

The topics are: breastfeeding, migrant women, HPV related cancers, PrEP, menopause.

Best,  
Yvonne Gilleece and Annette Haberl  
WAVE Chairs
