

Dear,

As this year comes to an end, we would like to proudly share with you the WAVE's achievements in 2023.

- three "WAVE in Ukraine" online workshops
- survey on healthcare perception
- WAVE workshop at EACS 2023
- publications:

"PrEP for women in Europe: a systematic literature review" in [HIV Medicine](#)

"Late HIV diagnosis among migrant women living in Europe — a systematic review of barriers to HIV testing" in the [IJID](#)

"Comorbidities and menopause assessment in women living with HIV: a survey of healthcare providers across the WHO European region" in the [AIDS Care](#)

"Collection of menopause data in studies of women living with HIV: A systematic literature review" in the [HIV Medicine](#)

"Screening and prevention of HPV-related anogenital cancers in women living with HIV in Europe: results from a systematic review" in **HIV Medicine**

"Guidelines and practice of breastfeeding in women living with HIV—Results from the European INSURE survey" in the [HIV Medicine](#)

"Barriers to HIV testing and possible interventions to improve access to HIV healthcare among migrants, with a focus on migrant women: results from a European survey" in the **HIV Medicine**

We will keep you updated on WAVE's activities in 2024.

If there is a project that you would like to carry out within WAVE, please contact us at [WaveSecretariat@eacsociety.org](mailto:WaveSecretariat@eacsociety.org)

Happy holidays!

Best,  
Yvonne Gilleece and Annette Haberl, WAVE Chairs
